BAXIA GLOBAL LIMITED

Risk Warning: Margin trading involves a high level of risk, and may not be suitable for all investors. You should carefully consider your objectives, financial situation, needs and level of experience before entering into any margined transactions with Baxia Global Limited, and seek independent advice if necessary. Forex and CFDs are highly leveraged products which mean both gains and losses are magnified. You should only trade in these products if you fully understand the risks involved and can afford losses without adversely affecting your lifestyle (including the risk of losing the entirety of your initial investment). You must assess and consider them carefully before making any decision about using our products or services.
